LinkedIn: linkedin.com/in/nihar-anchal-13a172216

PROFESSIONAL SUMMARY

B. Tech graduate skilled in web development with expertise in HTML, CSS, JavaScript, React, and MongoDB. Experienced in creating responsive websites and managing databases. Committed to learning and contributing to quality software solutions.

EDUCATION

Bachelors of Technology

Government College of Engineering Kalahandi   2018 - 2022

Intermediate(PCME)

Maharishi College of Natural Law, Bhubaneswar   2016 - 2018

Matriculation

University High School, Bhubaneswar   2016

CERTIFICATIONS

- IT & Networking Essentials from Cisco Networking Academy.
- Training on Solid Works & Auto Cad from Central Tool Room & Training Centre (CTTC), Bhubaneswar

TECHNICAL SKILLS

- HTML5: Proficient with forms, tables, lists, semantic tags, etc.
- CSS3: Skilled in animations, media queries, and responsive design.
- JavaScript: Experienced with data types, arrays, string methods, and functions.
- ReactJS: Proficient in using useState, props, useEffect, etc.
- MongoDB: Knowledgeable in queries, commands, CRUD operations, and frameworks.

PROJECTS

Responsive Portfolio:

Developed a modern portfolio using HTML and CSS, incorporating sections to highlight skills, projects, and contact information.

Hotstar Clone:

Built a Hotstar clone using React, leveraging props to pass data between components. The project replicates Hotstar's layout and features, including video thumbnails and navigation, showcasing how React's components integrate to form a cohesive user interface.

Hot and Cold Water Dispenser System:

Led a major project focused on designing and fabricating a functional hot and cold water dispenser system, showcasing skills in hardware integration and system design.

ADDITIONAL INFORMATION

Languages: English(Intermediate), Hindi(Fluent), Odia(Fluent)
